GEOMETRY OF THE UNCONSCIOUS: AN UNCERTAIN TRUTH IN ARCHITECTURE (HARDBACK)

Page One Publishing, Singapore, 2011. Hardback. Book Condition: New. 152 x 106 mm. Language: N/A. Brand New Book. The experience of seeing space in its relationship with matter is inherent in the gap between the visible and invisible in architecture. This book examines architecture where the complexities of chance, atmosphere, situation and circumstance are amalgamated into geometry of the unconscious. From this, new architecture can be realised not only based upon accepted norms of modernity but also upon cultural context...

Reviews

This publication can be well worth a study, and far better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly simple way and it is only soon after i finished reading through this book in which really transformed me, alter the way in my opinion.
