ELECTRONIC PRODUCTS (DESIGN & MAKE IT!)

Nelson Thornes Ltd, U.S.A., 1996. Soft cover. Book Condition: New. Designed to provide direct support for the revised GCSE Key Stage 4 Technology syllabuses, this series has been prepared by a team of NEAB examiners. Each book contains a mixture of extended projects, tasks and activities, together with written-paper key points and sample questions. Coverage of appropriate knowledge and understanding is integrated into a project structure, so that pupils prepare themselves for the written paper as they tackle the coursework....

Reviews

It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.
