Book #1: DIY Projects: 30 Modern Wood Pallets Projects To Decorate Your Home And Garden! The goal of this book is to open your mind to the new horizons that pallet projects provide to any home improvement project. Pallets are thrown out en masse every single day from supermarkets, department stores and warehouses where they just rot and go to waste. These very same pallets though can make for some of the best building material for any home and garden project and the instructions in this book are to be a guide to show you how to get there! This book covers innovative yet practical solutions to improving your home and garden. The suggestions and steps presented in this guide are very easy to follow and the illustrations included are also meant as a working aid to successfully completing these projects. The pallet projects contained within this e-book range from very simple, with very little work required to more complex and robust projects that are more time consuming and may require the use of some power tools. Book #2: DIY Projects: Amazing DIY Household Hacks. Mastering Woodwork Projects That Everyone Can Do Don t think you can do it? We got that covered. This book is for beginners. Learn patience, organization skills and best of all, how to make and fix things. What you make is only limited by your own experience, the more you make and repair, the more skilled you become. Once you have read our safety...
