Brand New Book ***** Print on Demand *****.In 2011, correctional administrators reported 6,660 allegations of sexual victimization in prisons. Of these, 605 were substantiated based on follow-up investigation. Local jail authorities reported 2,042 allegations, of which 284 were substantiated. Administrators were given the option of mailing back a completed form or completing it on the internet. Data collection forms can be accessed on the BJS website. The administrators then completed a separate form for each substantiated incident, providing details about the victim, perpetrator, and circumstances surrounding the incident. The 2009, 2010, and 2011 surveys included all federal and state prisons, facilities operated...
