Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Not your typical Western; it s a fun read. In the American West during the late 1800 s a powerful federal judge has a plan to install a college educated Indian in the Bureau of Indian Affairs. But the bureau in Washington doesn t want an Indian messing in their affairs. The judge makes Tyrone Narrowhawk (Hawk) a U.S. Marshal and sends him covertly into the western territories to investigate the illicit importation and use of dangerous chemicals on cattle. It s still the wild west with gun toting tough guys, outlaws, and running gun battles. He teams up with a 6 2 cowboy sharp shooter on the run from something he didn t do. Despite dissimilar personalities and education they work well together and pursue clever and dangerous criminals on horseback, trains, and even a ship in the harbor across the Nevada desert to San Francisco to Denver and back again. Hawk and his partner Merle Johnson begin their adventure.
