## Cherished: 21 Writers on Animals They Have Loved and Lost

By -

New World Library. Paperback. Book Condition: New. Paperback. 240 pages. Dimensions: 7.8in. x 5.0in. x 0.8in. Because grieving for an animal can be a pretty lonely place, Barbara Abercrombie created this joyful, poignant, funny, and smart collection of commiseration. Readers meet the cat who entered a neighbors window and got in bed with strangers, the dog who demanded down pillows, and even a coyote who became part of the family. The essays highlight the sometimes surprising things animals add to a household and how their loss reverberates. Because these are such fine writers, each essay also reveals larger truths about life. Whether the reader is grieving a loss, cherishing a current companion, or simply relishing a tale well told, the message is clear: it is better to have loved and lost. . . All royalties will be donated to Best Friends Animal Society Includes stories by Anne Lamott, Jane Smiley, Jacqueline Winspear, Carolyn See, Mark Doty, and many others This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
