Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Brand New Book ***** Print on Demand *****.We are one woman and our words matter. Your words matter! My words matter! As women, we are individuals who can unite in authentic ways. I believe it is important to do our inner work and strengthen our own character so we can be a role model of compassion and success for other women. Having a conversation with a fellow entrepreneur turned into an interview idea for a Telesummit. Now 50 some interviews later we have 8 small books and a compilation book! I know you will enjoy these powerful stories and teachings. The chapters of this book showcase two of my interview guests. I ended up leaving the interviews in script format because they had such a beautiful flow and it was easier to read. I love getting peoples messages out into the world; the messages that resonate with my message and what I am choosing to share. My message has evolved into a movement to unite women in love, nurture, and understanding by building a tribe of heart centered, supportive women who are confident and feel good about themselves, their skills, and their passions. I am a connector. I love connecting people to their soul and each other. I am good at helping people find clarity and releasing what no longer serves them. This book came about because I was feeling unfulfilled in my creativity. I was also hiding. In having a phone conversation one day I asked the person I was talking to if she would be open to having me do a phone interview that I could record and make into an Mp3. I told her I didnt know if I would put together an...
