You will be accused of selecting the subject, they say, because sexual viciousness appeals to you, and your method of treatment lays you open to attack. You criticize and condemn the English conception of justice, and English legal methods: you even question the impartiality of English judges, and throw an unpleasant light on English juries and the English public - all of which is not only unpopular but will convince the unthinking that you are a presumptuous, or at least an outlandish, person with too good a conceit of himself and altogether too free a tongue.
