

Geography of Africa South of the Zambesi (Classic Reprint) (Paperback)

Filesize: 5.8 MB

Reviews

An exceptional book as well as the font applied was fascinating to learn. It is loaded with knowledge and wisdom I am just easily can get a pleasure of studying a created book.

(Dr. Benjamin Lakin)

GEOGRAPHY OF AFRICA SOUTH OF THE ZAMBESI (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Geography of Africa South of the Zambesi The Continent of Africa admits of being divided into several distinct areas in which the activities of European nations are being displayed, but in no portion of it is the power of European colonisation, in the truest sense of the word, more visible than in the vast regions which may be distinguished by the general geographical definition of Africa south of the Zambesi. South Africa has ceased to be a country of mere sporting adventure or of aimless wanderings. It is gradually being identified with the European system; and by recent international conventions and agreements under the Salisbury Government, boundaries have been assigned and frontiers surveyed which are likely to be both permanent and beneficial to all contracting parties, on the east as well as on the west coast. Great Britain is deeply pledged in South Africa, and she is concentrating her great colonising energies here rather than, for instance, on the north and north-west of the continent, which she is apparently leaving to her powerful neighbour, France. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
