## ABTALA JURAIN - HYLE UND COAHL (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.See to it that the flame gets married to its blood which it has left at the bottom of the hearth. From this will grow the secret flower and you will see its bud come out of your Coahyl. At the origin of the science of the secret of the wise men lies the revelation of the Master of the World; therefore those who want to obtain it should be working in fear of the Master of the World and the King of the World, who alone is the glow of science and the source of revelation and the basis of all wisdom; this is the first guideline of the art of making lovely red gold. The people of many countries knew the secrets to make and to increase the sun of the wise (men), and since the Master of the whole earth didn't love them, their eyes never saw the crown of the Crowned, and they were made to rise to the throne of the King, whose riches the hand of the Master of of Earth, Our Lord, has hidden and is hiding this treasure, and all efforts which mankind may make to find the secret are futile, if they don't overcome the hurdle of the works.
