Arcadia Books. Paperback. Book Condition: new. BRAND NEW, Messengers, Julian Sayarer, Messengers sees Julian Sayarer return to work as a London bicycle courier, after six months cycling around the world. From saddle and kerbside, his stories of delivering flowers to politicians, and administration notices to banks toppled by the financial crisis, make for a social history of a less seen city, written from the perspective of someone stuck in one of London's most insecure and poorly paid jobs. Underneath the deliveries, we meet London's bicycle messengers, a family drawn from jaded graduates, jailbirds and recovering drug addicts. The riders all share their brushes with the law, struggles on the breadline and compete together in alleycat races, forming an unlikely but tender community upon the streets. With a bicycle the one constant that seems to make sense of everything else, Messengers is a two-wheeled portrait of everyday life in a modern city at the start of the twenty-first century.
