Brand New Book ***** Print on Demand *****.GAO discussed the District of Columbia s deteriorating financial situation. GAO noted that: (1) since 1991, the District s financial stability and cash position have steadily deteriorated; (2) Congress has enacted legislation to cap fiscal year (FY) 1995 expenditures, require a \$140-million budget reduction, impose penalties for overspending, reduce the District s workforce, and require periodic financial and performance reports; (3) the District s required quarterly financial report was not sufficient to monitor the District s financial situation; (4) the District estimated that its FY 1995 annual budget and cash outlays could exceed a congressionally mandated cap by \$722 million; (5) the District s FY 1994 budget shortfall was its largest annual budget deficit under home rule; (6) the District had to borrow \$250 million months earlier than it expected; (7) in 1995, one financial investment service lowered the District s bond rating below investment grade; (8) although District officials have proposed to reduce spending by \$224 million, it will need the federal government to cover the remaining \$407 million; and (9) the District s plans to address its current financial situation do not include any major structural or management changes.
